The Prince Kuhio Hawaiian Civic Club is pleased to honor three members of our club who exemplify the qualities that our patron prince Jonah Kuhio Kalaniana'ole Pi'ikoi hoped to promote and instill in his people while they themselves worked in service to advance and benefit the people of Hawai'i.

**Richard Jackson** has been an active member since 1987 (19 yrs) President 1997 & 1998. Uncle Richard has been the mainstay of the construction of the Kamehameha Day Parade Mo'i Float. A fundraiser for our club, he has consistently kept the costs down and the annual revenue up. He has also been the mainstay for our participating booth at the Ho'ike'ike Event coordinated by the Association of Hawaiian Civic Clubs as an opportunity to increase awareness of our clubs' functions, concerned issues and fundraise as well. Uncle Richard makes sure that we are prepared to clean Mauna'ala every March prior to our services to honor Prince Kuhio. And, he is almost always at Ali'i Sunday and involved with every Convention. If he's available, count him in.

**Bruss Keppeler** has been an active member since 1985 (21 yrs). An attorney by trade he has assisted with our understanding of the proceedings, controversy and changes to the Akaka Bill since its inception. He was 1999 AOHCC President and Government Relations Committee Chair, served on the UH committee for the Preservations and study of Hawaiian language, art and culture, served on the Moanalua Gardens Foundation Board, President of the Native Hawaiian Chamber of Commerce and was recipient of their prestigious O'o Award to mention a few.

**Winona Rubin** has been an active member since 1972 (34 yrs). A lifelong educator she is fondly remembered as being one of many inspiring women at Kamehameha – some being Gladys Brandt, Winona Beamer, Sarah Quick and Mrs. Powers. An advocate for Native Hawaiian families she co-founded ALU-LIKE Inc. and served as its CEO/President for 10 years. Her list of boards, community service projects and awards continue to grow. And although retired from education, her advocacy for Native Hawaiians continues through her work at OHA.

Mark your calendars, call or e-mail for your tickets, build a table. Join us for this exciting event to honor three of our own while contributing to our Scholarship Fund to assist students of Native Hawaiian descent.
